

# **Mariam Delos Reyes**

## **Crime Stoppers Tip Line DApp**

# Hello!

I'm ***Mariam Delos Reyes***

Blockchain Development student at George Brown College

**12+ years** in retail and telecommunications

Studied History and Criminology at the University of Toronto

## What is **Crime Stoppers?**

---

- A non-profit charitable organization that receives calls and tips online from anonymous individuals about criminal activity
- Individuals will not have to identify themselves or testify in court
- Improves public safety and reduces crime

# 154,771

Tips placed

# 11,250 and 37,875

Arrests and charges laid

# \$397,650,000

Total property recovered and narcotics seized

## Current process

### Tip storage

Tips are currently stored on a server in the United States. Tips that were previously written by hand have been destroyed.

### Tip Payout

Cash rewards are distributed through pre-arranged locations for pickup after approval from the Board of Directors

### Lost Tipster Number

You are assigned a tipster code number after you place a tip. If you lose this number, you're unable to claim a reward if your tip is successful

## DApp Solution

### Lower Expenses

Paperwork will not be needed between financial institutions and Crime Stoppers

### Reduce Transaction Time

Tipsters will be paid immediately in cryptocurrency

## DApp Solution

---

### Wallet Address

Your wallet address will contain your confidential tip ID number

### Security

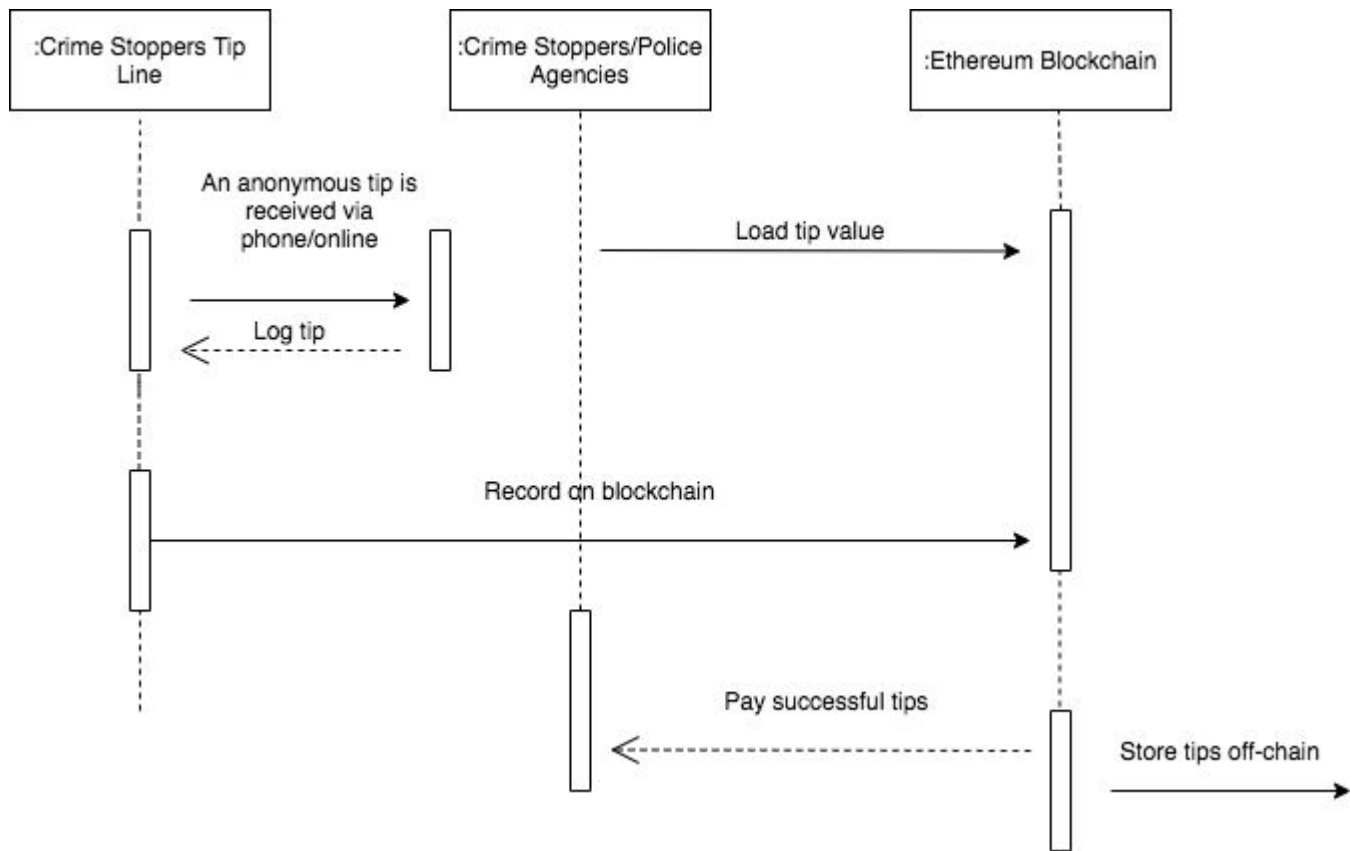

Tips are stored securely off-chain with no transaction fees

# Demo

Crime Stoppers Tip Line DApp

## Timeline

# **Let's work together!**

I can help you with your blockchain projects

# Thanks!
